MISSION:

US Youth Soccer TOPSoccer (The Outreach Program for Soccer) is a community-based training and team placement program for young athletes with disabilities, organized by youth soccer association volunteers. The program is designed to bring the opportunity of learning and playing soccer to any boy or girl, who has a mental or physical disability. Our goal is to enable the thousands of young athletes with disabilities to become valued and successful members of the US Youth Soccer family.

WHY WE NEED TOPSOCCER:

There are thousands of children with disabilities who need, and can be provided with, the opportunity to play soccer through the TOPSoccer program. WVFC TOPSoccer is the only West Virginia Soccer Association and US Youth Soccer sanctioned program in the Eastern Panhandle and one of only three in the state of West Virginia. WVFC TOPSoccer will serve at least four counties in West Virginia, two counties in Maryland, and two counties in Virginia.
